In early November the **revolution** in windsurfing is going online.

CYB and F2 offer you the exclusive tool to customize your 2007 F2 Guerilla board graphics, and personalize it as the **one and only!**

The first 20 orders will arrive under your X-Mas tree without any additional costs for air shipment delivery.

Choose from up to 40 different graphic designs out of the following graphic design range: **TRIBAL, RETRO, PIN-UP, FLAGS, URBAN** and **NATURE**

Check one example of each design category below:

→ Additionally you have the possibility to choose up to **4 different layers** which can be dyed in **23 different colours** and designed in **3 different textures**.

→ An individually printed patch on the top graphics shows the **user ID** and the **individual dedication**.

→ With the individual **board card** you receive a **2-year guarantee**, check the delivery status of your board and proofs the identity of the board of your dreams.
